

Welcome!

We are pleased you have chosen our dentist to see you today. It is our goal to provide you with the very best dental care in a friendly and comfortable environment. We understand the importance of excellent dental care and the positive impact a confident smile can make in your life.

In many cases, a treatment plan can exceed your insurance carrier's coverage limit. To help make dental services more affordable, our practice offers many different, easy to use financing plans.

By completing the confidential applications, we can qualify you while you are in the dental chair. There is no application fee and it is completely voluntary.

Our payment plans include:

6 month no interest plan above \$500.00

12month no interest payment plan above \$1000.00

Extended payment plans for financing \$1000.00 or more-A revolving line of credit with lower minimum monthly payment due until the balance is paid in full.

Would you like us to pre-qualify you? (We can do this by your name and address)

We also accept all major credit cards, cash or check. If you have any questions regarding the payment options please feel free to give me a call.

Thank you,
